

Modern Rustic Style

*The inspiration for this collection is a connection to nature, simplicity, and the timeless elements of cultural and historical heritage. **Modern Rustic Style** rugs often draw on natural elements and our beloved ties to our past.*

The designs in this special collection are inspired by landscapes as metaphors or symbols. We use earthy colors and organic shapes to create a harmonious kinship with the natural environment that we hope you will feel as you look at them.

Modern rustic rugs often begin with Mother Nature's handiwork, with materials such as wool, jute, and cotton. We have tried to mimic her artistry and bring nature into your home through new designs, the look of traditional weaving techniques, and textures and patterns that have historical significance.

Our patterns include geometric shapes, tribal motifs and simple, earthy designs, embracing timeless elements that link the past and the present. Through either traditional or trendy shapes and visual elements, they convey meaning and a common thread.

The aesthetic choices in our modern rustic rugs can be seen as a contemporary expression of these enduring themes.

We hope you like them!

*With love,
The ADAMA Team*

Estilo moderno rústico

*Esta colección se inspira en la conexión con la naturaleza, la simplicidad y los elementos atemporales del patrimonio cultural e histórico. Las alfombras de **estilo moderno rústico** a menudo se basan en elementos naturales y los lazos con nuestro pasado.*

Los diseños de esta colección tan especial están inspirados en los paisajes como metáforas o símbolos. Utilizamos colores tierra y formas orgánicas para crear una relación armoniosa con el entorno natural en el que esperamos que te sientas al mirarlos.

Las alfombras modernas rústicas imitan el trabajo manual de la Madre Naturaleza, con materiales como la lana, el yute y el algodón. Hemos tratado de imitar su arte y llevar la naturaleza a tu hogar a través de nuevos diseños, el aspecto de las técnicas tradicionales de tejido, texturas y patrones con significado histórico.

Nuestros patrones se componen de formas geométricas, motivos tribales y diseños simples y terrosos, que abarcan elementos atemporales que vinculan el pasado y el presente. A través de formas y elementos visuales tradicionales o modernos, transmiten un significado.

Con la elección para nuestras alfombras de un estilo moderno rústico queremos mantener en nuestros días la nostalgia de tiempos anteriores.

¡Esperamos que os guste!

*Con amor,
El equipo de Adamá*
